WEST HARTFORD, CT – The League of Women Voters of Greater Hartford and West Hartford Community Television (WHC-TV) invite our community to participate in a discussion with candidates in the race for Board of Education.

The forum will provide an opportunity for audience questions submitted via notecards, asked in-person at a microphone stand or via a Spanish language interpreter who is volunteering her time.

This free event is set for Monday, October 23<sup>rd</sup> at 7 pm at Charter Oak International Academy. Please join us and learn more about the people who seek to represent you. Ask policymakers about school issues that mean the most to you.

West Hartford voters can also find in-depth information about the candidates at the WHC-TV Election Center at [whctv.org](http://whctv.org) including, available for on-demand-viewing, a two-minute profile video for each candidate running for town council and board of education and in studio debates produced by the League of Women Voters and directed by West Hartford Community television staff and volunteers.

“WHC-TV is excited about piloting this project to encourage all members of our community to learn more about their public officials. Access to local information and politicians is so critical for a healthy community and builds common understanding and values and a stronger West Hartford.” Mark Walker, President of the West Hartford Community Television Board of Directors
